Please help us by completing as much as you possibly can with details of DOB, previous address and previous GP.

Proof of Address and Identity

- please provide the following documents at reception desk after filling the forms in order so that we can register you.
 - Photo identification such as a passport, driving licence
 - Proof of address such as a utility bill, bank or mortgage statement, rental
- Please allow at least **10 working days** to process your application

Patients who have recently arrived from abroad may need to provide evidence that they are entitled to receive treatment from Hospital Services. They may be asked to pay for Hospital treatment if there is no entitlement to free NHS treatment.

Patients not living permanently in the area may still be eligible for the services of a GP and can be seen as a Temporary Resident or an Immediately Necessary Patient.

For information:

South West London Health & Care Partnership – Connecting your care:

Health and Social care professionals can access your records from other care services when you need them to. This will make it quicker and easier for you when you visit your GP or hospital or when you speak to a social worker

For more information visit: www.swlondon.nhs.uk/connectingyourcare or call: **020 3668 3100**

Your Data Matters to the NHS:

You can choose whether your confidential patient information is used for research and planning For more information visit: nhs.uk/your-NHS-data-matters or call: **0300 303 5678**
